James Madison, George Mason : Bill of Rights: with Writings that Formed Its Foundation (Little Books of Wisdom) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bill of Rights: with Writings that Formed Its Foundation (Little Books of Wisdom):

1 of 1 people found the following review helpful. Lovely. By James Merrill Great little books that hold some of the most important writings in history. These are perfect display pieces, and durable enough to carry on you or in a bag. I display them in my cubical at the office. 1 of 1 people found the following review helpful. Great Little Books By Ellyn C. Potter I have these Little Books: Declaration of Independence, Bill of Rights, and Constitution. I keep them in my living room and people pick them up and glance through them, and because they are small they want them. I bought these three as a gift for one of my neighbors who wanted them. I think everyone should have them so they can refer to things from time to time that they may not be familiar with! They are little but have BIG information! 2 of 2 people found the following review helpful. U.S. Bill of Rights By bmonninger Overall, this is a really nice book due to the fact that it is both made to a very high quality and more importantly has a hard cover, instead of the paperback type that most of the other books of this nature have. As a result, I really enjoyed receiving this book mainly in part, because it is important to know how your country came to be, its history, and the documents that helped to establish our country as-a-whole especially when these documents contain our country's heart-and-soul per say. With that being said, this book is illustrated in a very detailed manner, which in-turn will allow both you and your family's future generations to enjoy the book along with its vital contents for many years to come.

Collectively known as the United States Bill of Rights, these first ten amendments to the United States Constitution limit the powers of the federal government and protect the rights of all citizens, residents and visitors on United States territory. Introduced in 1789 in the First United States Congress by James Madison, these amendments came into effect on December 15, 1791, when ratified by three-fourths of the states. This document plays a central role in American law and remains to this day a symbol of the freedoms and culture of this nation. In this beautiful gift edition, the text of the Bill of Rights is set alongside a history of the amendments, thus placing the document in its historical context.

From the Inside Flap A guide to the first 10 amendments to the U. S. Constitution, along with information about the history of each one. About the Author A Delegate and a Representative from Virginia and 4th President of the United States; born in Port Conway, VA, March 16, 1751. Died at Montpelier on June 28, 1836. George Mason IV (December 11, 1725 October 7, 1792) was a United States patriot, statesman, and delegate from Virginia to the U.S. Constitutional Convention. Excerpt. Reprinted by permission. All rights reserved. Congress OF THE United States begun and held at the City of New York, on Wednesday the Fourth of March, one thousand seven hundred and eighty nine. THE Conventions of a number of the States having at the time of their adopting the Constitution, expressed a desire, in order to prevent misconstruction or abuse of its powers, that further declaratory and restrictive clauses should be added: And as extending the ground of public confidence in the Government, will best insure the beneficent ends of its institution RESOLVED by the Senate and House of Representatives of the United States of America, in Congress assembled, two thirds of both Houses concurring, that the following Articles be proposed to the Legislatures of the several States, as Amendments to the Constitution of the United States, all or any of which Articles, when ratified by three fourths of the said Legislatures, to be valid to all intents and purposes, as part of the said Constitution; viz.: ARTICLES in addition to, and Amendment of the Constitution of the United States of America, proposed by Congress, and ratified by the Legislatures of the several States, pursuant to the fifth Article of the original Constitution. (The Preamble to the Bill of Rights)
