Ginetta V. Hamilton : Black History: Someone Forgot to Teach the Children: Lord, I Dun Bin Through Someum Yah, But... before purchasing it in order to gage whether or not it would be worth my time, and all praised Black History: Someone Forgot to Teach the Children: Lord, I Dun Bin Through Someum Yah, But...:

Someone Forgot to Teach the Children will alert the readers to the "urgency" of reaching out and teaching our children the strong, rich heritage of Black people in America. This book connects the present to the past in such a meaningful way that the readers will be empowered to make a difference while moving forward.
