**David Barry Gaspar : Bondmen and Rebels: A Study of Master-Slave Relations in Antigua** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bondmen and Rebels: A Study of Master-Slave Relations in Antigua:

0 of 0 people found the following review helpful. Every citizen in Anu should own a copy or be familiar with this great read. By Francia Needed this book for a report I did on Prince Klaas. This book is well detailed on Antigua's history. Every citizen in Anu should own a copy or be familiar with this great read.

Originally published in 1985, and available for the first time in paperback, *Bondmen Rebels* provides a pioneering study of slave resistance in the Americas. Using the large-scale Antigua slave conspiracy of 1736 as a window into that society, David Barry Gaspar explores the deeper interactive character of the relation between slave resistance and white control.

"One of the best studies of its genre--probing, balanced, and careful in its scholarship." --Colin A. Palmer, *William Mary Quarterly*  
"The most comprehensive treatment to date on slave resistance in a British Caribbean territory." --Edward L. Cox, *American Historical*  
"A fine-grained analysis . . . the most detailed account yet available of slavery in Antigua, from settlement until 1763." --Susan Lowes, *Journal of Social History*  
"An impressive study by a careful and elegant scholar and a substantial contribution to the growing scholarship on the slave societies of the Caribbean with the important implications for the rest of the Americas." --Arnold A. Sio, *The Journal of American History*  
About the Author  
David Barry Gaspar is Professor of History at Duke University.
