The quotes from Virgil, Homer etc. used as introductions to the chapters and scattered through the text give a feeling of connectedness to the ancient stories. Some of the paragraphs are short, direct and evocative of some of the ancient story telling styles. The author accomplishes his stated goal of weaving an engaging story based on ancient stories and histories. Fuel for your imagination.

Brutus is the first book and lead in, and the shortest of the Welsh Chronicles. Book one in the Welsh Chronicles series. The Illegitimate son of exiled Trojan royalty, losing his mother at birth.
