Silvia Federici : Caliban and the Witch: Women, the Body and Primitive Accumulation before purchasing it in order to gage whether or not it would be worth my time, and all praised Caliban and the Witch: Women, the Body and Primitive Accumulation:

1 of 1 people found the following review helpful. Gender, Capitalism, TerrorismBy AmaraThis book showed how the working classes were divided along gender lines as industrial capitalism took over. It also shows the terror campaigns

that were conducted to shock the lower classes into accepting the loss of the commons. This book is one of the most educational I've read, but it does suffer from more academic jargon than a non-academic may be used to. A dictionary or google will solve that issue. 2 of 2 people found the following review helpful. This fills in an immense, essential gaps if we ...By Billie L. Knighton This fills in an immense, essential gaps if we are to begin to understand our historical journey from European feudalism through colonization to the totalizing capitalism of today. 0 of 0 people found the following review helpful. Five Stars By Theo Roncken This book provides a very clear exposure of the how's and why's of today's disciplinary policy.

Literary Nonfiction. CALIBAN AND THE WITCH is a history of the body in the transition to capitalism. Moving from the peasant revolts of the late Middle Ages to the witch-hunts and the rise of mechanical philosophy, Federici investigates the capitalist rationalization of social reproduction. She shows how the battle against the rebel body and the conflict between body and mind are essential conditions for the development of labor power and self-ownership, two central principles of modern social organization. "It is both a passionate work of memory recovered and a hammer of humanity's agenda." Peter Linebaugh, author of *The London Hanged*
