**James Abbey : California: A Trip Across the Plains, in the Spring of 1850** before purchasing it in order to gage whether or not it would be worth my time, and all praised California: A Trip Across the Plains, in the Spring of 1850:

James Abbey was a member of a traveling party that left New Albany, Indiana, for California in 1850. He kept a day-by-day journal of his overland journey. Abbey provides a wealth of information about what it was like to travel

overland by wagon in 1850.
