original!By Eric LawsonNice abridgement!

This abridgement of Ford Lewis Battles' *Calvin: Institutes of the Christian Religion* will better acquaint readers with the seminal work in Reformed theology. In an easy-to-read, concise format, Donald McKim follows the main development of Calvin's thought, accentuating his contributions without lingering over matters whose importance has become outdated.

Language NotesText: English (translation) Original Language: LatinFrom the Back CoverCalvin's *Institutes of the Christian Religion*, the last book Calvin wrote, has been described as one of the most profitable books for all students of Christian divinity. Considered the opus magnum of Christian theology, Calvin's *Institutes* details the Christian denominations including Protestant, post-Reformation, and Reformed. By establishing a sound basis for interpretation, Calvin helped direct the future course of all exegetical study. With the power of Pradis, you can quickly view the text of a hyperlinked Bible verse in your favorite translation (sold separately). You can search the entire text for a word, phrase, or Bible verse or original language word. You can even copy and paste a portion of a Pradis text into your word processor or just print a section directly in Pradis.
