Here is a definitive, readable translation of John Calvin's Theological Treatises. Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.

About the Author J. K. S. Reid was a minister and theologian. He was Professor of Church Dogmatics at the University of Aberdeen.
