Chris Downey : Charleston and the Golden Age of Piracy before purchasing it in order to gage whether or not it would be worth my time, and all praised Charleston and the Golden Age of Piracy:

0 of 0 people found the following review helpful. Excellent First BookBy Tenn. RA MasonThis is an excellent first book about piracy in colonial America. There isn't much new ground covered for the serious scholar of the period, but Downey does a nice job of presenting the tales, and the illustrations greatly enhance the book. I recommend it along with Downey's separate work on the life of Stede Bonnet (although there is a fair bit of the two that is word for word

in both books).0 of 0 people found the following review helpful. Concise history of the Pirates of CharlestonBy Tim SchmitzWell written and factual plus, the author tells a good story. I really enjoyed this book, but I wish it was a little longer.0 of 0 people found the following review helpful. Easy to read and funBy Henry VromanEasy to read and fun. Neat period of history and great stories. Chris is a great historian and story teller.

The Golden Age of Piracy, encompassing roughly the first quarter of the eighteenth century, produced some of the most outrageous characters in maritime history. From its earliest days, Charleston was a vital port of call and center of trade, which left it vulnerable to seafaring criminals. The daring exploits of these infamous plunderers made thievery widespread along Charleston's waterfront, but determined citizens would meet the pirate threat head-on. From the "Gentleman Pirate," Stede Bonnet, to Edward "Blackbeard" Teach and famed pirate hunter and statesman William Rhett, the waters surrounding the Holy City have a history as rocky and wild as the high seas. Join author and tour guide Christopher Byrd Downey as he tells the tales of Charleston during piracy's greatest reign.

About the AuthorChris Downey is the owner/operator of Captain Byrd's Boat Tours and has worked for the past 15 years in the Marine operations/steamship industry. Chris is also a member of the Charleston Visitors Bureau and the South Carolina Historical Society, and authored The History Press' Stede Bonnet: Gentleman Pirate of the Carolinas.
