David Brickner : Christ in the Feast of Tabernacles before purchasing it in order to gage whether or not it would be worth my time, and all praised Christ in the Feast of Tabernacles:

0 of 0 people found the following review helpful. RecommendedBy Serenity HopeThis was helpful to me to understand and I believe a great book to be given to a Jewish friend. Not pushed ,easy read0 of 0 people found the following review helpful. Five StarsBy Beth TebeSuperb book! Serve as the basis for a presentation I gave on this feast.0 of 0 people found the following review helpful. It is an easy read and very informative for non-Jewish

ChristiansBy Moushira EbrahimThis is a well written book, that expounds on the traditional and spiritual aspects of the feast. It goes in details about what is mentioned in Leviticus 23, tie that up with the Jewish customs and then clearly explains it in the setting of John's book of Revelation. It is an easy read and very informative for non-Jewish Christians.

The author is the current president of Jews for Jesus, a ministry dedicated to reaching Jews with the Gospel. This book is written for Jews, messianic believers, and Gentiles curious about the connection between the ancient fall festival of the Old Testament and Jesus Christ, and for missionaries evangelizing to Jewish people. A companion book to Christ in the Passover.

It is a joy to commend David Brickner's excellent book on the Festival of Tabernacles in the cycle of the seven holy days described in Leviticus 23. Many will be surprised to learn how significant this Feast was in the life of our Lord and what a major part it plays in God's work of the end times. This book will open up whole new vistas for many readers of the Bible.-Dr. Walter C. Kaiser, Jr.President Emeritus, Gordon-Conwell Theological SeminaryAs Christians, we cannot understand our faith unless we understand the Jewish roots from which it springs. For example, all the feasts of Israel were designed by God specifically to teach us fundamental truths about the Lord Jesus and his work and ministry on our behalf. David Brickner has done a marvelous job of explaining these great spiritual truths to us in his book, Christ in the Feast of Tabernacles. It is a must reading for every serious student of the Word of God.-Dr. Lon Solomon, Senior Pastor, McLean Bible Church, McLean, VA.If you find boring and meaningless that long discussion of an ancient Jewish festival, here's a book that will change your mind while it blesses your heart. You may not agree with all the details of Brickner's typology, but you will appreciate, as I did, the spiritual insights he draws from this ancient Jewish festival.-Vernon Grounds, Ph.D., Chancellor, Denver Seminary
