Bruce P. Powers : Christian Education Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Christian Education Handbook:

1 of 1 people found the following review helpful. ClassicBy Satisfied CustomerAlready a classic and universally applicable. Suited material for pastors, youth group leaders, Sunday school teachers, high school teachers. Easy

reading, useful.0 of 0 people found the following review helpful. Five StarsBy michael aaron hilliardLove it!1 of 1 people found the following review helpful. thus I am satisfied.By Jeffrey Grant DembyThis book fit the requirements of a Masters Degree Program in Christian Education, thus I am satisfied.

This book is more than just a comprehensive collection of information on Christian education. It is a working tool written by a group of Christian educators to provide both a clear understanding of basic principles of Christian education and a practical guide for day-to-day administration of church education programs. After you study this book for the first time, you will want to keep it close at hand as a ready resource on Christian education administration.
