**Dr. Timothy Paul Jones, Rose Publishing : Christian History Made Easy Participant guide for the 12-session DVD-based study** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Christian History Made Easy Participant guide for the 12-session DVD-based study:

series. Many of the attendees have purchased the main book as well as the participants guide they are enjoying it so much. I have received many positive comments from the students. The course material is structured so that there are lessons for us to learn from what was going on in the period that each lesson covers. This works well to make it interesting for the students. When you prepare you want to review the video, the book, the participant's guide, the PowerPoint slides, and the leader's guide as each contributes to the overall lesson. I think that this is a great study, although it is very brief and very high level, but it is well worth the time. 0 of 0 people found the following review helpful. Great Tool By Skip Rainbolt This is a great teaching tool. I suppose the only downside is that too much material is packed into each session. In a group study context it is probably best to divide each lecture into two or three smaller chunks. 0 of 0 people found the following review helpful. Christian History Made Easy By HAROLD G. Well written and easily understood. Great for small study groups interested in our Christian heritage. I highly recommend it to all.

In this 12-session DVD-based study, Dr. Timothy Paul Jones takes you through the most important events in Christian history from the time of the apostles to today. He brings to life the fascinating people and events that shaped our world. This isn't dry names and dates. It's full of dramatic stories told with a touch of humor. This series, based on Dr. Jones's popular award-winning book *Christian History Made Easy*, ties in spiritual lessons believers can glean by looking at the past, and shows how God was still working in his church despite all the ups and downs. Participant guide for *Christian History Made Easy*, the DVD-based Bible Study for churches, schools, and small groups. Includes session outlines, discussion questions, definitions, and time lines. This adult Bible study curriculum covers the 200 key people and events in church history that every Christian should know.
