Edith Schaeffer : Christianity Is Jewish before purchasing it in order to gage whether or not it would be worth my time, and all praised Christianity Is Jewish:

2 of 2 people found the following review helpful. Great overview of how the Old Testament is the foundation for ChristianityBy Geoff HazelAnyone wondering what the Old Testament is all about can get a good birds eye overview of the themes by reading this book. Edith Schaffer presents a progressive line of the two strains of humanity: belief and unbelief, and how those strains are brought forward and dealt with over time, from Genesis through the whole Old

Testament, and then through the New Testament. This book will give you a framework to hang individual parts of the Old Testament on, so you can see it as a whole, and not just an unrelated collection of books and stories. Further, she shows how Jesus Christ is the fulfillment of the prophesies and traditions of sacrifice in the Old Testament, which is why the title is "Christianity is Jewish" is spot on. 0 of 0 people found the following review helpful. Well told overview of the entire Christian Bible. By Br. Christopher Duke This is a very faith-filled and emotion filled overview of the Bible, and its basic message(s.) Many people who have never read the Bible would do well to get a handle on it by reading this book. 1 of 1 people found the following review helpful. One of the better Schaffer books. By James H. Beauchamp One of the better Schaffer books. I haven't read them all, but this fits with the tapestry of life's events, which helps to make sense of it all. This one doesn't require you to have some familiarity with the history of civilization.

Exploring the historical and spiritual significance of the Jewish race, this treatment presents the Bible as a unified document in which God has progressively unfolded the plan of salvation.

About the Author Edith Schaeffer is the author of more than 15 books, including *L'Abri* (1969), *Hidden Art* (1971), *Everybody Can Know* (1973), *A Way of Seeing* (1977), *Affliction* (1978), *The Tapestry*, a biography of her family (1981), and *Forever Music* (1986). She lives today with members of her family in Gryon, Switzerland.
