The author uses multiple original source documents and weaves them together to paint a picture of the Crusade from multiple perspectives. 2 of 3 people found the following review helpful. A great collection By Adrian A great collection of First Crusade sources that are

otherwise very pricey and often difficult to find. Well put together. 3 of 3 people found the following review helpful. A Treasury of Primary Sources By Cinema Un-Verite This is my favorite book on the First Crusade. It brings together excerpts from numerous primary sources to create a chronological narrative of the events of First Crusade. If you like reading primary sources, this is the book for you.

The gripping story of the First Crusade, as witnessed firsthand The fall of Jerusalem in 1099 to an army of exhausted and starving western European soldiers was one of the most extraordinary events in history with a legacy that remains controversial more than nine centuries later. This remarkable collection contains firsthand accounts from the knights, religious leaders, and peasants who experienced the First Crusade in all its cruelty and strangeness. Edited with an introduction and notes by one of the foremost experts on the Crusades, *Chronicles of the First Crusade* is a comprehensive look at the climax of Christian fervor and the record of an ultimately futile attempt to implant a European kingdom in an overwhelmingly Muslim world. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Of all the modern histories of the crusades it is the shrewdest, the most reliable and the most complete [Praise for God's War] \* The Spectator \* About the Author Christopher Tyerman is a Fellow and Tutor in History at Hertford College, Oxford and Lecturer in Medieval History at New College Oxford. He has written extensively on the crusades, most recently *God's War: A New History of the Crusades* (2006) and *The Debate on the Crusades* (2011).
