Robert M. Weir : Colonial South Carolina: A History before purchasing it in order to gage whether or not it would be worth my time, and all praised Colonial South Carolina: A History:

1 of 1 people found the following review helpful. I Love This Book!By History_TeacherAn exceptionally well written document to read! If you want to learn about the history of South Carolina this is the book to purchase.0 of 0 people found the following review helpful. I'm off to a good start with this bookBy Marvell NesmithI'm off to a good start with this book. I'm a black male from the state. The white side of my family settled here before there were slaves.1 of 1 people found the following review helpful. Fresh perspective.By PreacherColonial South Carolina with a different

perspective.

In this modern and complete history of colonial South Carolina, Robert M. Weir explains the apparent paradoxes that defined a colony considered one of the most enigmatic in North America. In doing so, he offers provocative observations about its unparalleled mid-eighteenth-century prosperity, escalating racial tension, political struggles, and push toward revolution.
