MarkusThis book is one of the best to collect all the stories of American pre-columbian contact from both Asia and Europe. Although the book was released for the 500th anniversary of Columbus' landing, the information is still valid and is a good introduction into all the stories.0 of 0 people found the following review helpful. Really enjoyed book!By CustomerCame in hardback for less than my first order of this book. Really enjoyed book!0 of 0 people found the following review helpful. Columbus Was Last book.By Kenneth M. MossItem as described. Shipped quickly. Ordered other books when I ordered this one so haven't had a chance to read it yet.

Author Patrick Huygens cites authentic archeological discoveries that prove numerous cultures inhabited America-ranging from the Chinese and Polynesians to Phoenicians, Romans and Celts-centuries before Columbus landed.
