

exception is that for some reason the publication dates are wrong. Here it says that *The Rights of Man* was published 1794-95, and *The Age of Reason* 1796. A simple google search shows that those dates are wrong. Aside from that, perfect edition and selection of Paine's works.

Thomas Paine is one of history's most renowned thinkers and was indispensable to both the American and French revolutions. The three works included, *Common Sense*, *The Rights of Man*, and *The Age of Reason*, are among his most famous publications. Paine is probably best known for his hugely popular pamphlet, *Common Sense*, which swayed public opinion in favor of American independence from England. *The Rights of Man* and *The Age of Reason* further advocated for universal human rights, a republican instead of monarchical government, and truth and reason in politics. The works of this moral visionary, whose ideas are as relevant today as ever, are now available as part of the Word Cloud Classics series, providing a stylish and affordable addition to any library.
