**Paul VanDevelder : Coyote Warrior: One Man, Three Tribes, and the Trial That Forged a Nation, Second Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Coyote Warrior: One Man, Three Tribes, and the Trial That Forged a Nation, Second Edition:

2 of 2 people found the following review helpful. I'm thrilled to learn of the spirit of these Indian people and heartbroken over the total and deliberate shattering of the worldBy Lyja SamI was entranced for days, reading this

book. Very often I couldn't see the print on the page as tears would flow and I'd have to stop and recover some composure. I'm astounded that I never knew this story since I was born and raised in Minot, ND. I'm thrilled to learn of the spirit of these Indian people and heartbroken over the total and deliberate shattering of the world they loved and flourished in. I'm proud of Old Dog's descendants, these young, smart lawyers, and the women who brought them up. I feel the happenings recorded here are part of my own history that I didn't know. 3 of 3 people found the following review helpful. True American Fighters By Thomas S. I'm very happy the way this book was written about the Cross family. It was true to the writing, down to the last detail. I was sad to hear and read the way our government treated these people as well as other native americans. I was surprised what Pres. Nixon did for them in the end. I'm happy to say that I know one of the members of the Cross family, and heard about this before the book was written. 1 of 3 people found the following review helpful. me likey By procrasticleaner this book tell a very interesting story. i read it about 2 years ago, so i don't remember much. I didn't sell it after the class for which it was assigned had ended, so that oughta tell you something.

From White Shield to Washington DC, new Indian wars are being fought by Ivy League-trained lawyers called "Coyote Warriors"--among them a Mandan/Hidatsa named Raymond Cross. Coyote Warrior tells the epic story of the three tribes that saved Lewis and Clark's Corps of Discovery from starvation, their century-long battle to forge a new nation, and the extraordinary journey of one man to redeem a father's dream--and the dignity of his people.

"Coyote Warrior will open your eyes and heart to the ongoing battle to preserve Native nations, history and cultures." Debra Krol, Native Peoples
