Wilda C. Gafney : Daughters of Miriam: Women Prophets in Ancient Israel before purchasing it in order to gage whether or not it would be worth my time, and all praised Daughters of Miriam: Women Prophets in Ancient Israel:

0 of 0 people found the following review helpful. I enjoyed it very muchBy CustomerThis is for certain people and I chose this for my Christian studies. I enjoyed it very much.3 of 3 people found the following review helpful.
FantasticBy KetzirahThis book is a great read for anyone looking to expand their understanding of women's roles in

Ancient Israel. While Rev. Gafney is Christian, I found her to be completely non-dogmatic. I was actually very surprised to learn she is Christian and not Jewish, based on her writing in this book. As a Kohenet ([...]), this book fit beautifully into the teachings of my religious order and expanded my understanding of certain areas of the text we had studied. I recommend this book to anyone Jewish or Christian looking to explore women's roles and traditions in the Torah. 1 of 1 people found the following review helpful. Four Stars By wanda james very nice book, have to take your time when reading it. it's deep.

There are untold numbers of female prophets hiding in the masculine grammar and androcentric focus of the Hebrew scriptures. There are women-prophets in the communities around biblical Israel, existing for hundreds of years and even a thousand years before the Israelite and Judean prophets recorded their messages. The rabbinic and Christian fathers analyzed and found more women in the scriptures who function as prophets than the biblical authors identify. All of these female prophets have an intimate connection with the God of Israel; they express that connection by singing, dancing, drumming, speaking with and for God, waging war, performing miracles, exercising statecraft, and giving birth. Each of them is a daughter of Miriam, the mother of all women-prophets. Women prophets gave powerful voice to Yahwist faith at the formative moments in ancient Israel's development, and were expected in biblical visions of the future. Now they come to the foreground as Wilda Gafney explores prophetic practices in ancient Israel, its near eastern environment, and early and rabbinic Judaism as well.

About the Author Wilda C. Gafney is Assistant Professor of Hebrew Scripture and Homiletics at the Lutheran Theological Seminary at Philadelphia.
