Michael Bradley : Dawn Voyage-The Black African Discovery of America before purchasing it in order to gage whether or not it would be worth my time, and all praised Dawn Voyage-The Black African Discovery of America:

1 of 1 people found the following review helpful. Read, Read, Read!By ShawnLoved it! Add it to your library.2 of 2 people found the following review helpful. Michael Bradley is one of the most underrated scholars of ...By Pleas Lucian KavanaughMichael Bradley is one of the most underrated scholars of our time. To quote William Faulkner,

"The past isn't dead. It isn't even past."

Here for the first time is evidence for one of the most dramatic, but distorted, ignored and forgotten episodes of human history. This book is one of a number of books indicating the African presence among nations and people outside of Africa as early as 800 B.C. and probably before.
