**Carl L. Becker : Declaration of Independence: A Study in the History of Political Ideas** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Declaration of Independence: A Study in the History of Political Ideas:

The Declaration of Independence Carl L. Becker's important study is an analysis of the concepts expressed in the Declaration. Here is a lucid explanation of what the Declaration really is, what views it sets forth, where those views arose, and how they have been accepted or modified by succeeding generations. A book that every American should read.
