Francis MacNutt : Deliverance from Evil Spirits: A Practical Manual before purchasing it in order to gage whether or not it would be worth my time, and all praised Deliverance from Evil Spirits: A Practical Manual:

3 of 3 people found the following review helpful. An Excellent Book to Include in Studying Deliverance MinistryBy Craig StephansFrancis MacNutt approaches deliverance in a reasonable and spiritually-mature manner, as one who has a significant history and practice of deliverance and healing ministry. MacNutt is thoroughly scriptural and Christ-

centered in his approach to deliverance. He does not present himself as a super-minister who stands above others in ministry, but he sees himself as part of the larger Christian Body and as one who needs others. MacNutt emphasizes the reality of what we see in Scripture, especially in the gospels and in Jesus' own ministry, in relation to deliverance of demons. He shows how the deliverance ministry is as essential today as it was then and the church needs to be the experts in it. There is plenty of evidence in this book that demonic oppression is active in our cultures and world today. The main contribution of this book is a textbook approach to guiding people in the deliverance ministry. MacNutt gives readers good instruction to inform the ministry. I think he could emphasize more than he does how important a person's own devotional life is when even thinking about deliverance ministry, and this includes the necessity of being plugged into a Biblical Christian community for support and protection. MacNutt also does very well to highlight the relation of demonic oppression/possession to emotional and mental wounds that require inner healing. He advises ministers to be especially careful to not treat mental/physical/emotional wounds as demonic oppression. He repeatedly emphasizes the need for discernment and humility in this work. There is always the danger of people getting obsessed with demons and giving them too much respect and power or in assigning every ailment or sinful habit to demonic influence. MacNutt advises readers to keep a careful balance and to be led by the Spirit in discerning demonic presence. This would be a recommendation for training prayer ministers and as an essential book in one's library. MacNutt offers other suggestions resources.

Excellent Book
By Richard.F.Sequeira
This is an excellent textbook on Deliverance from evil spirits. The most important chapter is the last one on the interview of Fr. Rufus Pereira by Francis Mc Nutt. Fr. Rufus Pereira was the President of the International Association of Exorcist. He claimed to have exorcised over 20,000 Evil Spirits. Most in India. Some of these I know have been and are being worshipped as gods and goddesses as most who do this do not know the way the truth and life. They do not know Jn 3 :16-17 and that the Lord Jesus Christ is called Prajapathi in the Vedas of the Hindus, Issa Are Sallam in the Muslim Koran and Maitreya in the Diamond Sutra of the Buddhist.

By Daisy Bug
I read half of this book the day before I was entreated to facilitate an exorcism. It was extraordinary how God brought to mind every practical aspect written about by Francis MacNutt. At every turn of events I thought "Oh, I just read about this, I know just what this is." It was amazing!

A guide to deliverance ministry explains the biblical record and clarifies what a deliverance ministry is and how it functions in the church of today.

From the Back Cover
Based on four decades of international healing and deliverance ministry, this practical manual is an invaluable tool for pastors, counselors and lay ministers. Comprehensive and biblical, it answers the important questions about deliverance, such as "Do evil spirits oppress people today?" and "Can Christians be affected by evil spirits?" It also covers subjects such as: The scriptural basis for deliverance Misconceptions about deliverance Preparation for deliverance ministry Praying for deliverance The deliverance of places "By far the best book I have seen on this controversial and difficult topic."--Vinson Synan, Professor of Church History, Regent University; author, Century of the Holy Spirit
"The book is the most comprehensive I have ever read on the subject of deliverance. The practical steps and prayers for deliverance will help and bless many who wonder how to get started in this area of ministry, and how to remain balanced in a ministry that has not always seen sanity or balance. I highly recommend this book."--Randy Clark, president, Global Awakening
"Francis MacNutt has written with balance and caution on a difficult subject."--David A. Seamands, author, Healing for Damaged Emotions
"Francis continues to give us the teaching and inspiration for doing the work of the Kingdom!"--John Wimber, founder, Association of Vineyard Churches
About the Author
Francis MacNutt, Ph.D., who as a young Roman Catholic priest was prominent in the charismatic renewal in the 1960s, is the author of the bestselling Healing, as well as The Healing Reawakening and several other books. He and his wife, Judith, conduct an e
