2 of 2 people found the following review helpful. Fabulous find!By Cheryl Carpinello, author of MG Arthurian Tales and others. See my Author PageCan't believe that I found this! Copies of the original sketches made by Napoleon's savants back in 1798 when he invaded Egypt with the intent of conquering the country and the people. Can't wait to delve in deeper.

This volume is dedicated to the 'Description de L'Egypte', providing a condensed version of the original work with a selection of the most important plates and maintaining intact the historicity of the texts.
