Paul Finkelman : Dred Scott v. Sandford: A Brief History with Documents (Bedford Series in History Culture) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dred Scott v. Sandford: A Brief History with Documents (Bedford Series in History Culture):

16 of 17 people found the following review helpful. Excellent Presentation By Flazatty As students of U.S. history

know, the Supreme Court decision in the Dred Scott case was one of the major causes leading up to the Civil War. Prof. Finkelman has provided a valuable educational tool that will help students understanding this important part of our history. His clear and concise explanation of the case, including an analysis of the majority opinion, concurring opinions, and dissenting opinions, and other relevant aspects, is well-researched and well-written. He also includes excerpts from the Supreme Court's opinion so that readers can examine it and draw their own conclusions. Any serious student of U.S. history, particularly of the Civil War period and the events leading up to it, should own a copy of this book. 3 of 3 people found the following review helpful. An excellent summary By N. B. Phillips Provides excellent background, setting the social, political, and judicial landscape. The documents are well organized and demonstrate clearly the majority and minority opinions of the Court. 0 of 0 people found the following review helpful. Superb By Customer Finkelman always does superb and thorough work. This was no exception.

Perhaps no other Supreme Court decision has had the political impact of Dred Scott v. Sandford. Using a variety of documents that reflect regional opinions and political debates, Paul Finkelman examines the 1857 decision that helped set in motion the events that eventually led to a new birth of freedom and the abolition of slavery in the United States.

"An insightful piece of work on a compelling subject, this book will be an extremely valuable addition to an already excellent series of books for the classroom." About the Author Paul Finkelman is the author of "An Imperfect Union: Slavery, Federalism, and Comity" (1981); "Slavery in the Courtroom" (1985), which received the Joseph L. Andrews Award from the American Association of Law Libraries; and "His Soul Goes Marching On: Responses to John Brown and the Harpers Ferry Raid" (1995), which was a History Book Club selection. He has published numerous articles on American legal history and race relations and lectures frequently on the role of race in American legal development. In 1995, he was designated Virginia Historian of the Year by the Virginia Social Science Association.
