N. T. Wright : Early Christian Letters for Everyone (The New Testament for Everyone) before purchasing it in order to gage whether or not it would be worth my time, and all praised Early Christian Letters for Everyone (The New Testament for Everyone):

0 of 0 people found the following review helpful. Insightful and accessible commentaryBy Evangelinel love N.T.

Wright's "for Everyone" studies, and this was another great one (we did the Letters of John, and we may do James next, as it is included in this commentary guide). In the study guide that can be used along with this book, Wright provides really thought-provoking questions that get some great conversation and discussion going. This companion commentary was so helpful for providing extra insight and background. 0 of 0 people found the following review helpful. Five Stars By popeye13 Great insight especially for christians that don't read the bible. 0 of 0 people found the following review helpful. NT Wright is a great down to earth writer. By G.W. NT Wright is awesome. He has a way of writing so anyone can understand and he paints a clear picture of how the scriptures written so long ago parallel our world today and still apply.

N. T. Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion, with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.

"No other commentary series comes even close." --The Christian Century "Readers who have been frustrated by the lack of accessible biblical commentaries for laypersons will welcome the series." --Publishers Weekly "Well grounded in scholarship, accessible, and intensely contemporary. The series is a most welcome one!" --Walter Brueggemann, Emeritus, Columbia Theological Seminary "Wright has accomplished a feat in this series. All the time, I tell Bible readers, 'Begin here!'" --Scot McKnight, North Park University About the Author N. T. Wright is the Chair in New Testament and Early Christianity at the University of St. Andrews in Scotland. He is the former Bishop of Durham in the Church of England and is a prolific author and noted New Testament scholar. His books include Scripture and the Authority of God, Surprised by Hope, Simply Christian, and Evil and the Justice of God.
