Arthur J. Stansbury : Elementary Catechism on the Constitution of the United States before purchasing it in order to gage whether or not it would be worth my time, and all praised Elementary Catechism on the Constitution of the United States:

21 of 21 people found the following review helpful. Excellent Historical Resource on the Constitution!By DiDiAnyone who collects primary sources related to the authentic history of the United States, as it pertains to American schools, will definitely want to to add this resource to their collection! This book is truly an authentic replica

of the original Elementary Catechism on the U.S. Constitution, as it was taught in schools. I have really enjoyed reading this work and was impressed by the depth of knowledge students once needed to possess on our Constitution. You will not be disappointed with this purchase!0 of 0 people found the following review helpful. Well WrittenBy GeorgeThis is well written and makes it easy to understand the Constitution1 of 1 people found the following review helpful. Five StarsBy J. D.ought to be required reading for every kid.

An unabridged edition of the 1828 printing, created specifically for the use of schools
