From ABC-CLIO : Encyclopedia of American Jewish History [2 volumes] (American Ethnic Experience) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Encyclopedia of American Jewish History [2 volumes] (American Ethnic Experience):

1 of 2 people found the following review helpful. Extraordinary, Pertinent Coverage By Bernard A refreshing and up-to-date coverage of areas of American culture that have been impacted significantly by Jews. 2 of 2 people found the following review helpful. Covering every aspect of more than three and a half centuries of Jewish immigrants By Midwest Book Review Collaboratively compiled and co-edited by Stephen H. Norwood and Eunice G. Pollack, the "Encyclopedia Of American Jewish History" is a two volume compendium of information covering every

aspect of more than three and a half centuries of Jewish immigrants and their descendants with respect to their influence and impact upon American culture -- as well as the Jewish communities elsewhere in the world. Here detailed are the seminal contributions of Jewish Americans to academia, the arts, politics, the professions, the sciences, music, and American popular culture in general. Enhanced throughout, this two volume set features essays, maps, documents, tables, charts, and a thoroughly 'reader friendly' text that makes it especially appropriate and strongly recommended for school as well as community library Judaic Studies and American History reference collections.

Written by the most prominent scholars in American Jewish history, this encyclopedia illuminates the varied experiences of America's Jews and their impact on American society and culture over three and a half centuries. An outstanding series of maps by Sir Martin Gilbert locates places of origin, points of embarkation, sites of pogroms, Holocaust death camps, and transport routes More than 125 photographs depict prominent individuals, Jewish neighborhoods, demonstrations, and rituals

"Strongly recommended for school as well as community library Judaic Studies and American History reference collections." - Midwest Book "Encyclopedia of American Jewish History provides not just reference listings but in-depth article discussions essential for any student of Judaic history, especially those seeking a solid introductory reference." - Midwest Book "It belongs in all academic and large public library collections." - Booklist "Recommended. Lower-level undergraduates and above; general readers." - Choice "Libraries would do well to add this compilation to their shelves to take advantage of current scholarship and the expertise of the encyclopedia's writers." - Reference User Services Quarterly "Academic libraries supporting courses on ethnic history and Jewish studies will be well advised to add it to their collections, as would larger public libraries where there is interest." - Against the Grain
About the Author
Stephen H. Norwood, PhD, is professor of history and Judaic studies at the University of Oklahoma, Norman, OK. He received his degree from Columbia University, one of the world's leading centers for Jewish studies. His published works include numerous articles published in journals such as American Jewish History and Modern Judaism.
