From Brand: Mercer Univ Pr : Encyclopedia of Religion in the South before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of Religion in the South:

7 of 7 people found the following review helpful. Recommended for college Religious Studies and American Regional Culture collectionsBy Midwest Book ReviewNow in an updated second edition, Encyclopedia Of Religion In The South is a one-volume reference, compiled by a trio of professors, presenting historical and other information pertaining to religion in the American South in alphabetically organized entries. From Appalachian Religious Music and the concept of Atonement, to the role of religion in the Civil Rights Movement to Bishop John Freeman Young (1820-1885), the entries summarize history in clear terms accessible to the lay reader. An introduction offers a straightforward overview of religious belief in the South. Encyclopedia Of Religion In The South is a seminal and

recommended for college Religious Studies and American Regional Culture collections.

The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South. Religion has always been part of the cultural heritage of that region, but scholarly investigation had been sporadic. Since the original publication of the ERS, however, the South has changed significantly in that Christianity is no longer the primary religion observed. Other religions like Judaism, Buddhism, and Hinduism have begun to have very important voices in Southern life. This one-volume reference, the only one of its kind, takes this expansion into consideration by updating older relevant articles and by adding new ones. After more than 20 years, the only reference book in the field of the Religion in the South has been totally revised and updated. Each article has been updated and bibliography has been expanded. The ERS has also been expanded to include more than sixty new articles on Religion in the South. New articles have been added on such topics as Elvis Presley, Appalachian Music, Buddhism, Bill Clinton, Jerry Falwell, Fannie Lou Hamer, Zora Neale Hurston, Stonewall Jackson, Popular Religion, Pat Robertson, the PTL, Sports and Religion in the South, theme parks, and much more. This is an indispensable resource for anyone interested in the South, religion, or cultural history.

About the Author Samuel S. Hill is professor emeritus of religion at the University of Florida. He is author of "Southern Churches in Crisis" and "Encyclopedia of Religion in the South". CHARLES H. LIPPY is LeRoy A. Martin Distinguished Professor of Religious Studies at the University of Tennessee at Chattanooga. He is author or editor of Pluralism Comes of Age: American Religious Culture in the Twentieth Century, Being Religious, American Style: A History of Popular Religiosity in the United States (Greenwood), Christianity Comes to the Americas, 1492-1776, Twentieth-Century Shapers of American Popular Religion (Greenwood), Encyclopedia of the American Religious Experience, and other titles. Charles Reagan Wilson is professor of history and southern studies at the University of Mississippi and the former director of the Center for the Study of Southern Culture.
