**Frederick E. Greenspahn : Essential Papers on Israel and the Ancient Near East (Essential Papers on Jewish Studies)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Essential Papers on Israel and the Ancient Near East (Essential Papers on Jewish Studies):

Archaeological discovery of documents from the Near East has fuelled the debate as to the Hebrew Bible's relationship with the world. The biblical view that Israel dwells apart is belied by the Israelites' vulnerability to worldly attractions and cultural similarities with their neighbours.

"Juffer discusses how in recent years women have been more active in producing erotica for their own enjoyment and shows how this has affected the nature of erotica itself. She chronicles the rise of literary porn written by women for women, showing how books like Nancy Friday's collections of female fantasies helped pave the way . . . Juffer . . . is a sharp observer of the media." -"Los Angeles Times Book ", "Illuminates the complex politics of sex in women's everyday lives. At Home with Pornography is an important contribution to a new model of cultural studies and an exciting and valuable addition to contemporary struggles over sexual politics."-Lawrence Grossberg, About the Author Frederick E.
