Jay H. Buckley, Jeffery D. Nokes : Explorers of the American West: Mapping the World through Primary Documents before purchasing it in order to gauge whether or not it would be worth my time, and all praised Explorers of the American West: Mapping the World through Primary Documents:

0 of 0 people found the following review helpful. Five StarsBy Charles W. JamesGreat book!

With original primary source documents, this anthology brings readers into the vast unknown 19th-century American West through the eyes of the explorers who saw it for the first time. Collects primary source materials such as journal entries, book excerpts, and maps from various 19th-century American explorers, enabling readers to "discover" the

vast unknown American West, as seen for the first time by those of European descent Includes a topical guide to aid readers in cross-referencing entries Presents illustrations and photographs as well as original textual documents and maps

Top Community College Resource, November 2016 - Choice"Altogether, Explorers of the American West is a user-friendly collection of documentation that shares the experience of the explorer or traveler in the westward expansion in the 19th-century United States. The primary sources are engaging and bring the reader in to the experience. Sourcing information is well organized and clear. This collection of written documentation and analysis will be extremely useful for scholars, researchers, and historians seeking primary source information on United States westward exploration. Highly recommended." - ARBA"Although excerpts and full-text transcripts of many of these documents can be found online, the inclusion of all of them in a single volume with accompanying analysis and imagery make this resource particularly useful for students of the American West, the doctrine of Manifest Destiny, and the exploration of North America. Summing Up: Recommended. High school through undergraduate students; general readers." - ChoiceAbout the AuthorJay H. Buckley, PhD, is associate professor of history at Brigham Young University, Provo, UT.Jeffery D. Nokes, PhD, is associate professor of history at Brigham Young University, Provo, UT.
