I think people today need to see that following Christ is about giving all. It is these kinds of testimonies that builds our faith and shows us how to truly live for Christ.

By the coauthor of the best-selling book Jesus Freaks, this daily devotional features hundreds of stories of ancient to modern day believers--many of whose stories are published here for the first time--who sacrificed everything for Christ. Each true account concludes with a life application and a Bible verse to challenge you to live out your own extreme devotion.
