Frederic Cooper : Plantation Slavery on the East Coast of Africa (Social History of Africa) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Plantation Slavery on the East Coast of Africa (Social History of Africa):

Based on extensive research, and drawing on a wide range of sources, including local documents and interviews with descendants of both slaves and slaveowners, Cooper reconstructs the plantation economy of the East African coast and its effects on slaves. His work is intelligent, quite readable, and broadly comparative, as he relates the regional variations in slave systems along the coast and sets them beside forms of slavery
