D. Jeffrey Bingham : Pocket History of the Church (IVP Pocket Reference) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocket History of the Church (IVP Pocket Reference):

3 of 3 people found the following review helpful. Good shorter overviewBy GamePlayerI used this book for my

Church History college class. It provides a good overview of the Christian church, highlighting key figures, councils, and beliefs throughout the various time periods. I appreciated the fact that I was able to read a chapter or two and have a good idea of what would be discussed more in-depth in my other textbooks for the class. Each chapter gave a good preview and quick look at each "era" in Christian history. The chapters are a fast read, and overall the book was enjoyable. Good value for a short summary of Christian history. 0 of 0 people found the following review helpful. Had to Read for a Bible Class By TCEasy to read and understand. Keeps you engaged and interested. 0 of 0 people found the following review helpful. It was an easy read and a nice recap to the overall history ... By danyeljoy I used this book in a college class. It was an easy read and a nice recap to the overall history of the church. Book came quickly and was clean as promised.

The story of Christianity is a fascinating tale. Here we find drama, vision and expansion along with failure, setbacks and tragedy. Yet during the past two thousand years the power of Jesus is felt throughout the interplay of human actors and the forces of world events. How can you grasp the story played out on such a gigantic stage? This book is an ideal place to start. D. Jeffrey Bingham has skillfully selected the key people and episodes to tell a grand and humbling story. From Roman persecution to the early creeds, from the monastic movement to the Reformation, from the rise of liberalism to missionary expansion, he chronicles the ups and downs of a people and a faith. This pocket history has been crafted for students, pastors and other busy people who want an informed, clear and concise presentation that feeds the mind and moves the heart. It is an account that nurtures the Christian virtues of faith, hope and love. For Bingham aims not only to uncover the treasures of the church's past but also to show how history aids your own spiritual journey today.
