Kathleen A. Deagan : Portable Personal Possessions (Artifacts of the Spanish Colonies of Florida and the Caribbean, 1500-1800 - Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Portable Personal Possessions (Artifacts of the Spanish Colonies of Florida and the Caribbean, 1500-1800 - Volume 2):

0 of 0 people found the following review helpful. Five StarsBy Doug MacA must for the historic archaeologist,

working in Florida or California. Waited many years for this second volume.0 of 0 people found the following review helpful. Five StarsBy Janet R. LloydEssential for those studying 16th - 18th century artifacts.0 of 0 people found the following review helpful. Outstanding volume on Spanish Colonial artifacts.By Mark BarnesOne of the key works on Spanish colonial artifacts recovered from archaeological sites in North American and the Caribbean. A must for anyone interested in this subject.

This long-awaited follow-up to Deagan's first volume on ceramics, glassware, and beads focuses on the portable personal objects owned and used by the residents of Spanish colonial America. These objects are not only of Spanish origin; the collection includes many English, French, Dutch, German, Italian, and American pieces as well. Deagan not only provides an authoritative source of identification for these items but also draws extensively on colonial documents, travel accounts, paintings, and museum collections, as well as other contemporary sources to suggest specific functions of the items and the meanings they held for the people who used them. She documents and demonstrates how the objects were made and exchanged in the Americas, and explores how they embody Hispanic cultural identities, attitudes, and belief systems.

About the AuthorKATHLEEN DEAGAN is a curator of archaeology and professor of anthropology at the University of Florida's Florida Museum of Natural History.
