Create58 One of the most important books written in the last 15 years. Easy to read and relate to. Full of practical wisdom and inspiration. If you are dry your thirst will be quenched. If you are satisfied you'll find that there is more. See for yourself. 4 of 4 people found the following review helpful. Life Changing Book By B. Salzer I have read both editions of this book and I highly, highly recommend it. So many wonderful, encouraging stories of God at work and the power of prayer. 2 of 2 people found the following review helpful. Very insightful By Shoe lover Great read about the beginning of the 24/7 prayer rooms. I found it very insightful and encouraging. Helped me understand the drive behind the movement.

From the Upper Room of Pentecost to Azusa Street in Los Angeles, God has used prayer movements throughout history to change the world. Over fifteen years ago, a group of students gathered for a prayer vigil in Chichester, England and the prayers they started haven't stopped. Out of that first meeting came 24-7 Prayer: an international movement of prayer, mission, and justice that has reached Chinese underground churches, Indian slums, Papua New Guinea jungles, ancient English cathedrals, and even a brewery in Missouri. Red Moon Rising is the story of how that movement continues today and how each of us can be a part of the miracles God is doing through a new generation.

The title comes from a verse in Joel from the Holy Bible: "The sun will be turned to darkness and the moon to blood before the great and glorious day of the Lord. And everyone who calls on the name of the Lord will be saved." About the Author Pete Greig is an author, pastor, and the founding champion of 24-7 Prayer, an international, interdenominational movement of prayer, mission, and justice.
