From David Cressy : Religion and Society in Early Modern England: A Sourcebook before purchasing it in order to gage whether or not it would be worth my time, and all praised Religion and Society in Early Modern England: A Sourcebook:

0 of 0 people found the following review helpful. Five Stars By sandytop notch, invasluable resource for the period 5 of 5 people found the following review helpful. An excellent Primary Source collection! By Caroline Blanchard This book gives an excellent look at the Church and its impact in Early-modern Britain. The books two major streghths is that is

gives the view points of all the English religions, not just Anglicanism. It gives an excellent chapter of Catholic remembrances in the beginning and continues to give a wide variety of viewpoints that people held. Second, it traces the church through the Civil War, unlike other books that stop after the Elizabethan settlement. 1 of 3 people found the following review helpful. UsefulBy PothronAs a French student in English, I have to say that this book has a lot of interesting information and is very useful. Plus, it is very-well organized

Religion and Society in Early Modern England is a thorough sourcebook covering interplay between religion, politics, society, and popular culture in the Tudor and Stuart periods. It covers the crucial topics of the Reformation through narratives, reports, literary works, orthodox and unorthodox religious writing, institutional church documents, and parliamentary proceedings. Helpful introductions put each of the sources in context and make this an accessible student text.
