John L. Esposito, Darrell J. Fasching, Todd Lewis : Religions of the West Today before purchasing it in order to gauge whether or not it would be worth my time, and all praised Religions of the West Today:

Good for a text book, little dense so read closely By Ashton MacKenzie Had to get this for a class, personally I find the content a bit dense and need to talk it over in order to get some of the ideas. Readers may benefit from slowly going through this and contemplating each idea rather than trying to skim it, although that also works if all you're doing is writing a short response or discussing it (which, if you're at Champlain College, is likely all you'll do, so split the cost of one of these with your roommate or just borrow the library's copy unless you like COR like I do) 0 of 0 people found the following review helpful. Ideal for courses in Western religions, Religions of the West Today, Second Edition, covers the same material contained in the authors' longer textbook, World Religions Today, Fourth Edition. Religions of the West Today,

Second Edition, reveals the significance of religion in contemporary life. Judaism, Christianity, Islam, indigenous religions, and new religions are explored as dynamic, ongoing forces in the lives of individuals and in the collective experience of modern societies. This unique volume accomplishes two goals: it connects today's Western religions to their classical beliefs and practices and focuses on how these religions have responded to and been transformed by the modern world. The authors combine thorough coverage of the historical background of each religion with up-to-the-minute discussions of its current practices. This volume is enhanced by numerous pedagogical aids--text boxes, timelines, maps, discussion questions, a comprehensive glossary of key terms, and suggestions for further reading--and more than 100 photographs and illustrations. ALSO AVAILABLE TO SUIT YOUR COURSE NEEDS: World Religions Today, Fourth Edition (978-0-19-975951-4) Religions of Asia Today, Second Edition (978-0-19-975949-1)
