From Howard H McCall : Roster of Revolutionary Soldiers in Georgia, Volume 3 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Roster of Revolutionary Soldiers in Georgia, Volume 3:

Volume I of this cumulative work contains the records of hundreds of Revolutionary War soldiers and officers of Georgia, with genealogies of their families, and lists of soldiers buried in Georgia whose graves have been located. The arrangement of Volume II is similar; however, it contains records of officers and soldiers not only from Georgia but from other states, many of whose descendants later came to Georgia because of liberal land grants. Volume III, the longest of the work, is similar in scope to Volume II except that the majority of the entries are for Georgia officers and soldiers, with only some material relating to other states. The three volumes, each of which is indexed, refer to as many as 20,000 persons overall.
