Louis de Wohl : Saint Joan: The Girl Soldier (Vision Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Saint Joan: The Girl Soldier (Vision Books):

1 of 1 people found the following review helpful. Truly inspiring. By Michmoze158I loved the book on many occasions. Not only did it obviously withhold biblical meanings, it also kept a realistic war based plot to it. I would highly recommend this book if you need to do a Christian biography book report, or any biography report in that matter. My only hindrance to giving this five stars is that I felt there was a bit too much information. As silly as it

sounds, since I thoroughly believe knowledge is great in greater servings, I just felt like sometimes it would shimmy away from Joan and onto other things that I could understand the story without. 3 of 3 people found the following review helpful. Good for History Buffs By Kitty Kanaro It's a decent read, but mostly about the various battles and military personnel involved. Not much insight on Joan the person. 0 of 0 people found the following review helpful. St Joan of Arc the Martre By Zero_point_Zero Interesting story about medieval France. I had not been reminded of the story of St. Joan of Arc since grade school English class and it then was not told in the context of the Hundred Years War, so this book, and beautiful scenic France I'm seeing while watching the Tour de France bicycle race has refreshed my interest in French/British history.

This volume in the Vision Books series of saints for youth combines a world famous Catholic novelist, Louis de Wohl, with one of the most thrilling and dramatic saint's lives in history, St. Joan of Arc. De Wohl uses his famed narrative skill to tell young people about the brave teenage French girl who had visions and led armies in battle, but also about how her entire life testifies to the amazing power of God's grace. It's all here: how Joan, a humble maiden in an insignificant town, was told by St. Michael the Archangel, St. Catherine, and St. Margaret to lead the French in battle against the English; how she finally succeeded in convincing the French of the truth of her mission; how she met with fantastic success but was betrayed, captured, and imprisoned; and finally, how she suffered through a politically motivated trial for heresy and was burned at the stake. Best of all, de Wohl is not interested solely in the external details of Joan's life, but in Joan's all-encompassing love for God, which informed all her courageous actions from beginning to end. You'll not only thrill to Joan's heroism; your heart will delight in her example of loving surrender to God's will. Every detail of her life will ring out to you as a joyful witness to the grace of God. Illustrated.

About the Author Louis de Wohl wrote numerous historical novels for adults, including "The Living Wood", which is also about St. Helena and Constantine. He earned international acclaim for *The Spear*, and among his other popular titles are "Lay Siege to Heaven, The Restless Flame, The Joyful Beggar "and "The Quiet Light."
