David Beers Quinn : Set Fair for Roanoke: Voyages and Colonies, 1584-1606 before purchasing it in order to gage whether or not it would be worth my time, and all praised Set Fair for Roanoke: Voyages and Colonies, 1584-1606:

0 of 0 people found the following review helpful. First English Colony of AmericaBy JanesviewWritten by an English historian, the book is a detailed record of the first immigrants to America.The social impetus of the English Government and the influential men involved in the immigrant movementis interesting from the perspective of a person who has access to the records of the time.One may not agree with his conclusions about the disappearance of

the first colony, but then who has a definitive argument on it. 1 of 1 people found the following review helpful. Would love to meet and talk with the author. By Lora R. Much of what the author knows will go to his grave with him. Would love to meet and talk with the author. Fantastic details informative, enlightening.... a time tunnel view back in history. Highly recommend! 0 of 0 people found the following review helpful. Five Stars. By Douglas J Agler. Great.

Quinn's study brings together the results of his nearly fifty years of research on the voyages outfitted by Sir Walter Raleigh and the efforts to colonize Roanoke Island. It is a fascinating book, rich in details of the colonists' experiences in the New World. Quinn "solves" the mystery of the Lost Colony with the controversial conclusion that many of the colonists lived with the Powhatans until the first decade of the seventeenth century when they were massacred.

From the Back Cover. Recognized as the outstanding authority on early English exploration and settlement in America, David Beers Quinn brings together in this book the results of his nearly forty years of research on the subject.
