David P. Szatmary : Shays' Rebellion: The Making of an Agrarian Insurrection before purchasing it in order to gage whether or not it would be worth my time, and all praised Shays' Rebellion: The Making of an Agrarian Insurrection:

0 of 0 people found the following review helpful. A Conflict of EconomiesBy John L. LelandThis is not the latest

word on the subject, but it is very useful on the economic and political background to the rebellion, emphasizing the long-term conflicts between the subsistence farmers of the of the rural regions, especially west of the Appalachians, and the urban economy of the eastern seaboard. It also makes the point that the movement was not limited to western Pennsylvania but evoked sympathy from a much wider western region.0 of 2 people found the following review helpful. Five StarsBy RichardA+A+A+ Thanks!!!0 of 3 people found the following review helpful. ThoughtsBy CustomerI liked the original Shays' Rebellion better then this book.
