Dan Reiland : Shoulder To Shoulder Strengthening Your Church By Supporting Your Pastor before purchasing it in order to gage whether or not it would be worth my time, and all praised Shoulder To Shoulder Strengthening Your Church By Supporting Your Pastor:

0 of 0 people found the following review helpful. This is a must read for all!!!By Pastor JulietteI was so blessed and inspired as I study this book. I purchased this book in June 2013 and have taking my time devouring it intensely.It was filled with so much wisdom and understanding on the need to support your pastor and how to be more effective as a leader. It more than met the title of the book and truly it was a perfect fit because it exceeded my expectations. Will be using it as a study guide in my church to develop a biblical support system and a more efficient leadership and an all around support group. I shall be looking forward to more of this authors writing really enjoyed his insights and clear-sightedness. I highly recommend this book to Pastors and Leaders alike.0 of 0 people found the following review helpful. Five StarsBy His WillGreat read for pastors and their teams0 of 0 people found the following review helpful. Four StarsBy Joe C.The book is good. It gave both the church and pastor responsibility in faith based issues

Pastors can never have too much support. In *Shoulder to Shoulder*, Dan Reiland, Vice President of Leadership and Church Development at INJOY, helps laypeople understand the unique challenges a pastor faces, allowing them to make a positive difference in the pastor's life as well as the congregation's. John Maxwell, former senior pastor of Skyline Wesleyan Church, states the book's impact best in his foreword: "Through this book, Dan is going to walk into your life and lift you to a higher level, just as he did for me."

From the Back Cover'Want to be a difference-maker? The wisdom, humor and refreshing candor of this delightful book will give you a new appreciation for your pastor. This is a win-win-win book!' -Zig Ziglar, Chairman and Founder, Zig Ziglar Corporation
