**Christine Panyard PhD : Sistine Chapel, The: A Biblical Tour** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sistine Chapel, The: A Biblical Tour:

12 of 12 people found the following review helpful. Fantastic book! By Keli Lydell Love this book! When you visit the Sistine Chapel you cannot stay for very long. With this book, you can look as long as you like. This would be great to see/read before or after a visit to Rome! 2 of 2 people found the following review helpful. Great for anyone who has been to see the chapel ... By donnagot this for my granddaughter for her 21st birthday because she is an artist. it is a close-up scene by scene of the Sistine Chapel. Great for anyone who has been to see the chapel or is going. also good for artist to see the close up details of the each section of the ceiling. 3 of 3 people found the following review helpful. Very nice book, makes a great gift. By Ken and Sheri This made a great gift for a couple we had traveled with. We had visited the Sistine Chapel together and this was a beautiful picture book at a great price. I don't really write detailed reviews, but I will say that I would now like one of these books for myself and I wish I had flipped through it before my tour.

For the first time in 500 years, Michelangelo's paintings on the ceiling of the Sistine Chapel have been brought together with the scripture on which they were based to provide a guide for scholars and pilgrims to the Sistine Chapel.

About the Author Christine M. Panyard is a professor in the psychology department at the University of Detroit Mercy and has practiced as a psychologist since 1972. She received a PhD from Wayne State University, Detroit, Michigan.
