By Bouquiniste I have been reading and rereading and teaching from this book and I think it is the best intro to church history that I have found. I wish it went into greater depth and I love the pictures which help tell the story. If you are curious about church history, this is the book for you! 3 of 3 people found the following review helpful. History History and more History! By Jenny Marie This book as great insight into the history of the church! It has helpful pictures into the past concerning the church. It explains church history by going in details concerning the countries concerned. It leaves you with a deep base of knowledge in church history in the countries concerned. 8 of 8 people found the following review helpful. church history in a nutshell By Barbara S. Have read this book a few times and always get something out of it that I missed the first time. A good book for the average person to read to get a glimpse of church history... very interesting comments made about Islam especially with the present climate regarding that faith... and eye opener to read that Islam was used to bring discipline on the church. I would recommend to anyone that would like to know how the church has been, from the beginning, on through the Crusades, the Reformation, the split in the church between the East and West up to the time of Spurgeon. Interesting also to know a little of the history of the Baptists, the reformers, the Methodists and also the persecution of the church down through the ages. All in all, a very informative and easy to read book on our faith.

This book outlines the thrilling story of the onward march of the Church of Christ from the earliest times to the end of the nineteenth century. It is not a dry-as-dust account of long-forgotten events and controversies, but rather a moving record of those who undertook the adventure of faith before us and, through their courage and steadfastness, left an example for the church in every age. Reading of the exploits of those who have gone before us, through times of prosperity and times of persecution, should stimulate, warn and encourage the church in our own age to persevere in the same path, and obtain the same everlasting reward.

About the Author Murray, born in Lancashire, England, was educated in the Isle of Man and at the University of Durham and entered the Christian ministry in 1955. He served as assistant to Dr. Martyn Lloyd-Jones at Westminster Chapel (1956-59) and subsequently at Grove Chapel, London (1961-69) and St. Giles Presbyterian Church, Sydney (1984-84), Although remaining a minister of the Presbyterian Church of Australia, he is founding trustee for Banner of Truth Trust.
