**Peter Blanchard : Slavery and Abolition in Early Republican Peru (Latin American Silhouettes)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Slavery and Abolition in Early Republican Peru (Latin American Silhouettes):

In this work, Professor Blanchard examines why slavery managed to survive for more than three decades after Peru declared its independence despite anti-slavery legislation passed by the liberators at that time. The book focuses on the economics of Peruvian slavery, slave life and the abolition movement. *Slavery and Abolition* aims to offer an alternative example of a slavery system to the more familiar examples of the US, Brazil and Cuba.
