John W. Gordon : South Carolina and the American Revolution: A Battlefield History before purchasing it in order to gage whether or not it would be worth my time, and all praised South Carolina and the American Revolution: A Battlefield History:

1 of 1 people found the following review helpful. Little more than a term paperBy SueThis is little more than a term paper. If you are looking for a more in depth, intellectual handling of this subject you will not find it here. The Bibliography is huge which proves the point, it is more a term paper from others research. If you just want a minimal overview this is it. If you wish to get details and in depth information, this is not the book for you.0 of 0 people found

the following review helpful. GREATBy kathyGREAT0 of 0 people found the following review helpful. good book, I found out I had a 4th ...By jeff emoregood book,I found out I had a 4th great grandfather in the South Carolina militia.

An estimated one-third of all combat actions in the American Revolution took place in South Carolina. From the partisan clashes of the backcountry's war for the hearts and minds of settlers to bloody encounters with Native Americans on the frontier, more battles were fought in South Carolina than any other of the original thirteen states. The state also had more than its share of pitched battles between Continental troops and British regulars. In *South Carolina and the American Revolution: A Battlefield History*, John W. Gordon illustrates how these encounters, fought between 1775 and 1783, were critical to winning the struggle that secured America's independence from Great Britain.

"Gordon has provided historians and American Revolution enthusiasts with a wonderful guide to the battles fought in South Carolina. His prose is clear and concise, and his arguments are well-defined and supported."From the Inside Flap"Gordon has provided historians and American Revolution enthusiasts with a wonderful guide to the battles fought in South Carolina. His prose is clear and concise, and his arguments are well-defined and supported."--Journal of Military History "Gordon's treatment of the American Revolution in South Carolina succeeds on several levels. . . . For those who want the detail, it is here. For those who want to understand the context, that is also here."--South Carolina Historical Magazine "Gordon's book on the war in South Carolina is a welcome addition to the literature on the American Revolution. It offers both an excellent survey of this conflict and is also a useful work of reference, its full bibliography and footnotes making it a good starting point for further research into an important and interesting episode in American history."--Army Historical ResearchAbout the AuthorJohn W. Gordon is a professor of national security affairs at the United States Marine Corps Command and Staff College in Quantico, Virginia. Formerly a professor of history and dean of undergraduate studies at the Citadel, he is the author of *The Other Desert War: British Special Forces in North Africa, 1940-1943*.
