From Brand: Pineapple Press : Spanish Pathways in Florida: 1492-1992/Los Caminos Espanoles En LA Florida 1492-1992 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spanish Pathways in Florida: 1492-1992/Los Caminos Espanoles En LA Florida 1492-1992:

0 of 1 people found the following review helpful. Five Stars By Monica A. Castelli-Delle excellent

Florida served as one of the great meeting grounds of the planet, a place where peoples from Indian America, Latin

America, Africa, the Caribbean, and Europe converged. Essays by Florida experts in both Spanish and English on the influence of the Spanish in Florida from the first explorers to the latest Hispanic migrations into Miami. Topics include Hernando de Soto, Menendez, Plants of the New World, Disease and the Indians, Mario Sanchez, Jos? Marti. Spanish and English on facing pages so that the book can serve in language instructions.

From Library Journal Fifteen Florida historians and archaeologists document the Spanish presence in Florida from first contact in the 16th century to the latest Hispanic migrations. The essays are in English and Spanish on facing pages. They inform us of the impact the Spanish had on the Native Americans, their exploration, missions, cattle ranching, relations with free blacks, and the contributions of Hispanic people to 19th- and 20th-century Florida: Jose Marti and Paulina Pedrosa fighting to free Cuba, folk artist Mario Sanchez, and Miami politicians Maurice Ferre and Xavier Suarez. Each well-written essay complements the others. Highly recommended for all collections.-Susan Hamburger, Virginia State Lib. Archives, Richmond Copyright 1992 Reed Business Information, Inc. "Each well-written essay complements the others. Highly recommended for all collections." Language Notes Text: English, Spanish
