The author had a lot of good things to say. However, he constantly, kept putting Jewish sages and rabbis, along with Nostradamus, on the same

level as the bible. This is wrong. The bible is the final authority on all matters. To put mere human beings on the same level as the bible is to demean the authority of scripture. The other problem I had with the book was the chapter on the Messiah. The author constantly keeps referring to the Messiah as a mere human being. This is wrong. True, the Messiah of the bible is a man, but he is more than a man. He is man and God in the same body. Here is what the author had to say about the Messiah: The Messiah of the prophets is not a deity and is not a subject of worship. This thinking is totally wrong. It goes completely against what scriptures says. In John chapter 5:43 it says: I (Jesus) have come in my Father's name, and you do not receive me. If another comes in his own name, you will receive him. When Jesus said the Jews would receive another who comes in his own name, He was referring to the Antichrist. One day this evil, villainous individual will show up on the scene, according to Daniel 9:27, with a peace treaty in hand, which will bring an end to Arab-Israeli conflict. However, the peace will only be temporary. The antichrist will appear to many, for all due intent, as a Messiah. However, he is only a mere human being empowered by Satan. Because the author was theologically wrong with his ideas on the Messiah, I decided not to finish the book. It was too much trying to read his twisted thinking on the subject. Those who gave this book a five star review need to go back and study, really study, their bibles. They obviously do not know how to discern between truth and error. And this book had much error in it. 0 of 0 people found the following review helpful. Recommend this one for "gentiles". By Kindle Customer I am reading this one slowly. It is opening my eyes to the history and thoughts of Jewish/ Israelite people think and to what they have really gone through. I am not really far into it. Mr Zephyr is really good at giving background so those of us who are "gentiles" can understand. 0 of 0 people found the following review helpful. it is a fantastic read if you have an interest in what is ... By Devorah Annah Alexander Zephyr writes about the Mid-East and how we have come to have the current situation there. He quotes quite a bit of prophesy from the bible to substantiate his findings. You will come away with a whole new knowledge about the Jews, the Arabs, the ten lost tribes of Israel, etc. etc. I have to question if English is Mr. Zephyr's first language. Even so, it is a fantastic read if you have an interest in what is going on over in Israel and in a Peace process that is never going to work.

The State of Israel; Its Friends and Enemies. Prophetic Future This is an indispensable work telling us all we need to know on several matters. Discusses various issues succinctly summarizing different schools of thought with their pros and cons. What are the Wars of Gog and Magog? What will cause them? Which forces will be involved? Who and what is the Messiah and the Messianic Age? Will there be a physical Resurrection of the Dead? How old is the earth? Were there humanoid-type beings before us? Jewish and non-Jewish scholarship on all issues is quoted and compared. The author then brings his own opinion and the reasons for it. Whether you are a full-time researcher in this field or just an interested layman you will find in this work information and points of interest of great value. Zephyr is not afraid to face controversy. He brings sources and argues well with passion, eloquence, and conviction. He has carried out a work of serious scholarship with nerve and passion. The writer's interest and thirst for knowledge concerning his theme comes bursting through on every page. Today most of the World unjustly goes against the Jews. Anti-Semitism, hatred and racism have reached unprecedented levels. The very survival of the Jewish state of Israel is at stake. All people of good will, who believe in the Bible as the Sacred Word of the Almighty, should make a choice and stand firmly on the side of Israel. That is what God wants them to do. In turn, they will save themselves and help God to advance His Divine Plan for the World-to-Come, which would be absolutely impossible if Israel did not exist. And I will bless them that bless you, and curse him that curses you: and in you (i.e. Israel) shall all families of the earth be blessed (Genesis 12:3).
