Zev Golan : Stern The Man and his Gang before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stern The Man and his Gang:

1 of 1 people found the following review helpful. A Good read but Stern died early (around 20 yrs old) By David Adams A Good read but Stern died early (around 20 yrs old). Most of the book is about the Freedom Fighters (Stern Gang) after his death. I find this time extremely interesting in Israel's history. I never knew they had such a fight with England over immigration, especially during and after the Holocaust was going on. I've tried to understand for so long

how the Jewish people have been hated for all time but even with all my reading I still ask "why". The three members who took over after Stern's death are interesting people, especially Yitzhak Shamir. I am reading Shamir's autobiography now. He is a good writer. 0 of 0 people found the following review helpful. Absolutely superb detailing the importance of this dedicated, By Helen Pearson Freedman Absolutely superb detailing the importance of this dedicated, visionary man and his followers who's difficult chosen actions played an important role in getting the British to leave and allow Israel to become a State 0 of 0 people found the following review helpful. Five Stars By Irving Spivak Shows the side few will admit to.

Stern: The Man and His Gang traces Abraham Stern's evolution from hated gangster to folk hero and chronicles the military and political deeds of the thousand Jews who joined his war against England. In the 1940s, before there was an Israel, the Holy Land was rocked by warfare and violence, and no militia was fiercer than the band of Jewish revolutionaries known as the Stern Gang. **Stern: The Man and His Gang** by Zev Golan is the first English-language account of the life of Abraham Stern, the charismatic poet who founded the underground that called itself the Fighters for the Freedom of Israel. **Stern: The Man and His Gang** also provides a comprehensive history of the gang's operations in the years 1940-48, when it fought what it called British imperialism in the Mideast.

About the Author Zev Golan is an Israeli historian who lives in Jerusalem. He is the author of the history *Free Jerusalem* and the philosophical *God, Man and Nietzsche* and the English translator of Israel Eldad's memoirs, *The First Tithe*.
