**Patrick Madrid (editor) : Surprised By Truth: 11 Converts Give the Biblical and Historical Reasons for Becoming Catholic** before purchasing it in order to gage whether or not it would be worth my time, and all praised Surprised By Truth: 11 Converts Give the Biblical and Historical Reasons for Becoming Catholic:

3 of 3 people found the following review helpful. Patrick Madrid is a modern day St. Francis de Sales! By hot doggin' We needed Patrick Madrid's book back in the 1970s!!!!!! This book was 10 times easier to understand (and fun to read) for a novice like me. Karl Keating's book Catholicism and Fundamentalism was a struggle for me to understand. Our country's Catholic schools failed us in the 1970s here in the midwest and this book needed to exist back in the day! 2 of 2 people found the following review helpful. Fabulous book By Dovesm Best book on the market for non-Catholics to teach them about the Catholic church teachings. Stories of converts to the Catholic church. Every story is different. Great book. 1 of 1 people found the following review helpful. Five Stars By TM The first in a great series of books. Very good.

The first testimonies to give you all the reasons for becoming Catholic These eleven personal conversion accounts are unlike any you've ever read, they're packed with biblical theological and historical proofs for Catholicism. Each year thousands of atheists, Evangelicals, Fundamentalists, and Pentecostals are being surprised by Catholic truth and these converts tell you why.

These converts, coming from varied backgrounds, converged on the Catholic faith because their intellects were enlightened by divine grace to accept its truth They bring apologetics to life in an exciting way. - Fr. Peter M.J. Stravinskis, author of The Bible and the Mass
